

# GUNDRILLING WITH STAR PRECISION TOOLS

## CONSISTENT QUALITY, LONGER TOOL LIFE, RELIABLE SERVICE

Star SU, with over five decades of expertise in special design and standard precision deep hole drilling, offers an extensive range of gundrills including:

- Single Flute
- Double Crimp
- Double Jet
- Two-Fluted Milled Style
- Solid Carbide Gundrills

Our consistent quality, longer tool life and reliable customer service increases your productivity.

Since we keep a wide range of standard designs in stock, many gundrills can be shipped within 24 hours. Most custom designs ship within 72 hours and our team of expert service technicians are available for technical support and advice.

### REWORK PROGRAMS:

Star SU offers regrind and retipping services that provides a consistent return to the original OEM grind. We are able to provide this service on any other quality manufacturers' products as well.
