**Gundrilling  
with Star  
precision  
tools**

With over four decades of expertise in special design and standard precision deep hole drilling, Star SU can offer you an extensive range of gundrills including:

- single flute
- double crimp
- double jet
- two-fluted milled style
- solid carbide gundrills

Through consistent quality, longer tool life and reliable customer service, our aim is to increase your productivity.

Our customer service department, in fact, runs a 24-hour shipping program of gundrills with a numerous range of sizes in stock and a 72-hour program for most other custom designs.

Our team of expert service technicians is also at your complete disposal for technical support and advice.
